The Kia Sorento was presented to the public in 2002. This car allowed Kia to get rid of the image of the runabouts manufacturer. Originally, the Sorento was a classic frame SUV with a premium set of options for off-roading. Kia Motors has always been known as an innovative, if somewhat quiet, power-player in the global automotive industry. While not as immediately recognizable as other marquee, many will be surprised to learn that it is the fourth largest automaker in the world as of 2010.
