A booby trap is a device or setup that is intended to kill, harm, or surprise a person or animal, unknowingly triggered by the presence or actions of the victim. As the word trap implies, they sometimes have some form of bait designed to lure the victim towards it. At other times, the trap is set to act upon trespassers that violate personal or restricted areas. Remember FIRST BLOOD? That was our introduction to one of Sylvester Stallone's signature characters, John Rambo. In addition to convincing an entire generation of budding survivalists that we all needed to buy giant "survival" knives, it was probably a result of seeing that movie that I became fascinated with traps. Field artillery is a category of mobile artillery used to support armies in the field. These weapons are specialized for mobility, tactical proficiency, short range, long range, and extremely long range target engagement.. Until the early 20th century, field artillery were also known as foot artillery, for while the guns were pulled by beasts of burden (often horses), the gun crews would ...THUNDERBIRD NEWSLETTER DATED 1947 FOR THE 45TH DIVISION VETERANS: Excellent condition newsletter for the veteran fighting men of the 45th division whom fought in Italy in WWII.
