

Download Ocean Themed Outdoor Games For Kids

Games & Outdoors : Animals > Ocean. The object is for the octopus to catch the fish by tagging them with a sponge ball. If a child gets hit they must freeze and become an octopus tentacle. The tentacle may help the octopus by using their hands outstretched to tag fish. Only the octopus may move however. Find and save ideas about Ocean games on Pinterest. | See more ideas about What is a shark, Clark the shark and Beach party ideas for kids. (Open picture game - The ocean) Print, laminate, and store in a "Ziploc" bag or in your thematic bin. **WRITING ACTIVITY** (Open writing activities - O like Ocean) Print for each child or laminate for use with a dry-erase marker. **ACTIVITY SHEETS** (Open activity sheets - The ocean) Activity sheets are suggested for each theme. Print and follow instructions. Fish in the ocean. Submitted by Barbra Have one (or several children) be the shark. The rest of your children must try to cross the ocean (a set space that you specify) and not get eaten (tagged) by the shark. If they get caught then they join the shark to try to catch more fish. Keep playing until everyone is sharks.
