U-Install Garage Door Opener pdf manual download. Control up to two different brands of garage door openers individually. Easy-to-program remote control. Extreme 1500-ft. range for immediate access. ANSWER: The low part of the seal goes under the door and the high part goes just to the inside of the door. I had three leaking doors, two on the garage and one on the barn door - now I have no leaks. One thought, I cut my seals a little extra long and notched the ends so that part of the seal could go inside and against the door jambs to make a tighter seal.
