

Download The Myth Of Mental Illness Foundations Of A Theory Of Personal Conduct

The Myth of Mental Illness: Foundations of a Theory of Personal Conduct is a 1961 book by the psychiatrist Thomas Szasz, in which the author criticizes psychiatry and argues against the concept of mental illness. It received much publicity, and has become a classic, well known as an argument against the tendency of psychiatrists to label people who are "disabled by living" as "mentally ill". Further reading.
