

Download Winchester Model 100 Manual

Winchester rifle is a comprehensive term describing a series of lever-action repeating rifles manufactured by the Winchester Repeating Arms Company. Developed from the 1860 Henry rifle, Winchester rifles were among the earliest repeaters. The Model 1873 was particularly successful, being marketed by the manufacturer as "The Gun that Won the West". The Model 88 receivers underwent numerous changes during the production span. The front receiver ring was changed in length of the ejection port opening, with the supposition of it to accommodate the ejection of the 284 for the Model 100. The Winchester Model 1894 rifle (also known as the Winchester 94 or Model 94) is a lever-action repeating rifle that became one of the most famous and popular hunting rifles of all time. It was designed by John Browning in 1894 and originally chambered to fire two metallic black powder cartridges, the .32-40 Winchester and .38-55 Winchester. It was the first rifle to chamber the smokeless ... Browse all new and used Winchester Rifles - Model 9422 for sale and buy with confidence from Guns International.
